

POSITION POSTING FORM New This Week

Animal Research Intern (Summer 2016)

Requirements and Competencies

- At least two years of an undergraduate program with coursework in biology and/or nutrition
- Able to communicate clearly and professionally, both verbally and in writing
- Must be at least 18 years old
- Able to work independently
- Must have valid driver's license, proof of insurance, and be able to meet Busch Gardens' driving guidelines
- Ability to lift up to 50 pounds

Duration: 11 weeks (Summer Semester)

Primary Responsibilities

- Conduct behavioral and/or nutritional research with animal collection
- Collect and process feed and fecal samples
- Data entry
- Work with research staff to analyze and report data and findings
- Present scientific findings to zoo staff and guests
- Additional duties as required
- Training will be provided

IMPORTANT: To apply, please submit

- A brief cover letter describing your research interests
- A current resume
- A copy of your transcripts (unofficial transcripts are acceptable).

To preserve formatting, you may submit these documents to dani.limbach@buschgardens.com. However, the online application must still be completed in order to be considered for this position.
